N.H. Dept. of Environmental Services  
Water Supply & Pollution Control Div.  
6 Hagen Drive  
Concord N.H. 03301

AttN: Nancy Kursewicz

Enclosed is the information requested. The mentioned tank was a 500 gallon gasoline tank identified as tank #2.

It was removed on November 30, 1989 as per Rossiter Excavation invoice enclosed. The work was done by:

Advanced Petroleum Products Co. Inc.  
P.O. Box 397  
North Hampton N.H. 03862  
C/O Mr. Tom Flanagan  
(603) 964-7303

The tank has been out of service since June of 1975 and the contents were removed at that time. Upon removal of this tank on 11/30/89 it was observed to be in good condition. A sample was taken from the soil under the tank at the time of removal.

The test results along with the credentials of the testing facility are enclosed. If there are any further questions regarding this matter please notify me at the above address or phone number.

Sincerely,

A handwritten signature in cursive script that reads 'James A. Rand'.
