

Underground Storage Tank (UST) System Registration

Oil Remediation and Compliance Bureau

RSA 146-C:3; Env-Or 404.

ATTENTION: This form is a document used to facilitate the submission of information required under Env-Or 400. Nothing in this form is required to be submitted to the Department unless such a requirement is expressly stated in the rules. If there is any inconsistency between this document and the adopted rules, only those requirements specified in the rules are applicable and enforceable. Use of this form to submit information required under the rules is OPTIONAL.

Instructions:

Please type or print in ink all items except "signature" in Section VII. This form must be completed for each location containing underground storage tanks. If more than four (4) USTs are owned at this location, photocopy the following sheets, and staple additional sheets to this form.

Also, provide a site plan and facility layout. (May be an accurate hand sketch).

If ownership is changing, please submit a completed Statement of Training form designating your class A and B operators.
