Re: Administrative Order 18-013 WMD

Dear Robert,

On September 4 a representative of our company went to 125 West Rd (Site 0110079/DES) to investigate the liquid in dispenser #1/2 sump. It was determined to be rain water from a leak in the canopy. The station has been closed so there was no release of petroleum products. The water was removed that same day. We will be following up with a letter of intent to permanently close Tank #1.

Sincerely;

William Lloyd Helm
