Dear Mr. Cuevas:

On November 10, 2020, the New Hampshire Department of Environmental Services (NHDES) issued a **Notice of Intent to Red Tag (“IRT”) IRT #20-005** and **Letter of Deficiency (“LOD”) WMD LOD #20-039** for underground storage tank (UST) facility #0113050 which was not in compliance with N.H. RSA 146-C, Underground Storage Facilities, and N.H. Code Admin. Rules Env-Or 400, Underground Storage Tank Facilities (UST Rules).

Based on a review of the documentation submitted to NHDES, compliance with the IRT and LOD has been achieved. This Letter of Compliance serves as closure of both the IRT and LOD issued to 1260 PLR, LLC.

NHDES appreciates your cooperation in resolving this matter. Please contact the undersigned if you have any questions regarding this letter.

Sincerely,
