Hi Peg-

Attached please find Notification of Release for the Kingsbury Acquisition property located at 80 Laurel Street in Keene, NH – NHDES Site #199102028, UST Facility ID #0110849. The release was initially discovered during UST closure activity on September 27, 2023. Additional Site activity is scheduled for this month, November 2023 to remove the associated buried supply piping. The UST Closure Report will be submitted to NHDES OneStop following closure of the buried supply piping. This written notification is submitted to meet Code of Administrative Rules Chapter Env-Or 604.08 – Oil Notification Requirements.

Please contact me if you have any questions.

Thank you!

Best Regards,

Dena J. Wunsch, Senior Project Geologist
