Groundwater Monitoring and Reporting

Dear Ms. Justham:

This letter and attached Summary of Work Scope Approval #2 (WSA #2) serve as formal approval to complete groundwater monitoring activities for the Troy Mills Landfill Superfund Site in accordance with your Proposed Work Scope and Budget dated August 15, 2018 and in supplement to the WSA#1 issued on August 17, 2018. The work approved herein is to be performed under GZA GeoEnvironmental, Inc.'s 2015-2019 contract for *Site Investigations, Remediation Design and Implementation Oversight at Petroleum and Hazardous Waste Sites, and CERCLA and Brownfields Projects*, approved by the Governor and Council on August 26, 2015.

Funding for GZA's labor and administrative services may be transferred between line items, subject to approval by the Department, and the total cost for the work covered by WSA #2 shall not exceed $72,868.

If you have any questions, please feel free to contact me.

Sincerely,

Michael Summerlin
