Dear 87 Eastside Road Owner:

The New Hampshire Department of Environmental Services (NHDES) Land Resources Management Shoreland Program has reviewed your Shoreland Permit Application for the above referenced property and has determined that additional information is needed to clarify and complete it. The items listed below are required to complete the review.

1. Please clarify who Nicholas H. Putnam and Kenneth Stuart are in relation to 87 Eastside Road LLC as the owner is required to sign the application but neither of these names are on the deed.

Please include file number 2020-02399 on all the required items requested above, and submit the items to NHDES within 60 days of this letter. Failure to submit a complete response to this Request for More Information by December 15, 2020, will result in the denial of your application.
