

Notes on non-LRMP DES permitting programs:
 A) Residuals Management notifies LACs if public hearings called for in their permitting process.
 B) Solid Waste consults with Rivers, they both notify, work with LACs.
 Note that DES SOP has 5-day notice requirement.
 Solid Waste (at least) issues to be added to weekly LAC notices.
 LACS have had issues with these programs

10/6/14 Final Map of Current Designated Rivers LAC/LRMP DES Permit Notification Process per group meetings of 9/18/14, 9/25/14, 10/2/14

Note that Alteration of Terrain cc's LAC
