- **Routine Roadway Maintenance**
  - With LAC Sign-Off
    - Submitted to NHDES for Review: Meets all criteria ➔ Complete. Does not meet criteria ➔ Denied.
  - Without LAC Sign-Off
    - If submitted to NHDES for review without signature, deemed incomplete and thus denied.
      - Applicant can resubmit as Expedited or Standard Permit application.

- **Minimum Impact Project Permits-by-Notification**
Wetland Permit Application Review Process Flow-Charts for Local Advisory Committees

1LAC Jurisdiction (Env-Wt 103.27): “LAC jurisdiction” means the authority conferred by RSA 483:8-a. III upon a local river management advisory committee relative to activities within a designated river or river corridor, provided that for purpose of routine roadway maintenance activities conducted under an SPN, registration, PBN, or EXP, LAC jurisdiction shall be limited to activities in or within 250 feet of a Tier 2 or Tier 3 designated river that have a direct surface water connection to the designated river.
