Description

State of New Hampshire Job Posting
DEPARTMENT OF ENVIRONMENTAL SERVICES
WATER DIVISION / WATERSHED MANAGEMENT BUREAU
29 HAZEN DRIVE, CONCORD NH 03301
ENVIRONMENTALIST II
LABOR GRADE 19
Position #TMPPT5413

The State of New Hampshire, Department of Environmental Services, Water Division, Watershed Management Bureau has a part time vacancy for an Environmentalist II - Rivers and Lakes Program Assistant.

Summary:

Plans and implements watershed management projects. Provides assistance to communities and local groups on local river, lake and watershed protection efforts. *This position may work a maximum of 32 hours per week.*

Responsibilities:

Assists local river management advisory committees with the development and implementation of river corridor management plans for designated rivers under the Rivers Management and Protection Program, and provides technical assistance on local river protection efforts.

Reviews and updates the Guidelines for Coordinated Lake Management and Shoreland Protection Plans under the Lakes Management and Protection Program, and provides technical assistance to local officials, organizations and individuals with the development and implementation of lake inventories and lake management plans.

Monitors and comments on federal and state permitting and other activities affecting lakes, rivers and watersheds, and serves as a liaison with local officials, organizations and individuals regarding such permitting.

Develops information materials, responds to public information requests, and arranges meetings,

workshops and conferences to facilitate information exchange regarding river, lake and watershed management and protection.

Performs research and analysis, including using geographic information systems, to stay current with and be able to offer assistance regarding the latest developments in the science and public policy of river, lake and watershed management and protection.

Provides assistance with the development and implementation of the Instream Flow Program on designated rivers, including outreach coordination and materials, data analysis, and field measurements of stream flow.

Develops and maintains contacts with federal, state, regional and local agencies and officials to exchange information and coordinate policies and actions related to river, lake and watershed management and protection.

Continually seeks to improve practices to add quality and value in support of the Department's mission while identifying and eliminating unnecessary or redundant actions.

MIMIMUM QUALIFICATIONS:

Education: Bachelor's degree from a recognized college or university with major study in environmental science, natural resources, environmental engineering, hydrology, resource management, environmental law, biology, forestry, wildlife, chemistry, community development/planning, geology, geography or a related field. Each additional year of approved formal education may be substituted for one year of required work experience.

Experience: Two years' experience as an Environmentalist or in environmental science, natural resources planning or related field.

LICENSE/CERTIFICATION: Valid driver's license.

DISCLAIMER STATEMENT: The supplemental job description lists typical examples of work and is not intended to include every job duty and responsibility specific to a position. An employee may be required to perform other related duties not listed on the supplemental job description provided that such duties are characteristic of that classification.

Employees may be required to pay an agency/union fee at a future date. Criminal background and driving record review required.

In order to receive credit for post-secondary education, a copy of official transcripts with a seal and/or a signature should be included with the application. If copies of transcripts have been requested please reference this and have them forwarded to the Human Resources office for the agency listed above.

For further information please contact Tracie Sales, Environmental Program Manager at Tracie.sales@des.nh.gov at 603-271-2959. Use apply button or submit a fully completed state application and accompanying documents by the closing date to NHDES PO Box 95 Concord NH 03302-0095 Attn. HR. You may also contact Raymond Wilson, HR Coordinator at 603-271-1496 or at raymond.wilson@des.nh.gov .
