

# FREE FOUR-SESSION WORKSHOP SERIES FOR MUNICIPAL LEADERS STARTS IN JAN.

## GETTING COMMUNITY BUY-IN FOR STORMWATER FUNDING

Hosted by the Consensus Building Institute and EPA New England

## INFORMATIONAL WEBINAR DECEMBER 14, 2016 @ 12:00 PM

To see the webinar presentation, go to <http://bit.ly/2g6SRKZ>

For audio only, call: 408-638-0968, meeting ID: 818 858 0144

**Many municipalities across the country have adopted funding mechanisms. Others have tried and failed. What are the strategies that lead to success?**

**Municipalities that successfully adopt stormwater funding mechanisms:**

- Develop and maintain community support for their stormwater funding solutions
- Involve key stakeholder groups
- Customize funding proposals to meet their community's specific needs and fiscal realities

**No commitment to form a stormwater utility or any other funding mechanism is necessary.**

### Who Should Participate?

Municipalities interested in working with their stakeholders on stormwater financing solutions.

### Why Participate?

Collaborate with stormwater professionals, community engagement experts, and your peers to:

- Identify and involve key stakeholders
- Develop community support for stormwater funding solutions
- Tailor funding proposals to meet your specific community needs
- Pursue next steps based on insights gained through the workshop series.

**The four session series begins on:  
January 31, 2017**

Second session: March 14

Third session: April 25

Fourth Session: May 23

*Location(s) TBD to reduce travel time for participants. Participation in all four sessions is requested. Space is limited.*
