

Municipal Board Empowerment Series Workshop #3

Stormwater Management in Your Community

June 28, 2017 4:00-5:30 PM

Town Hall

186 Main Street Newmarket, NH

Refreshments and networking 3:30 PM

Workshop starts promptly at 4:00 PM

Hear from municipal staff about the value and process of adopting stormwater management regulations in their community. Community leaders will share their stories of implementing and enforcing stormwater regulations. You will learn about the basic components of the Southeast Watershed Alliance model stormwater standards, and have an opportunity to ask questions of municipal staff and technical experts. Planning Board, Conservation Commission members, and municipal staff are encouraged to attend.

& the Seacoast Stormwater Coalition

Workshop is **free** of charge, suggested donation of \$5, and you must register to participate. Email Steve Miller at steve.miller@wildlife.nh.gov to register with your name, position, organization, and contact information (email and phone).
