NEW HAMPSHIRE DRINKING WATER AND GROUNDWATER ADVISORY COMMISSION

Application Review Subcommittee B

Minutes of November 1, 2019 Meeting

In attendance: Rep. Deb Hobson, Bernie Rousseau, Commissioner Scott, Christopher Way, and DES Staff

The meeting was convened at 8:30am.

Canaan: Rereviewed the details of the project. Concerns with no applications in to USDA, CDBG, or Northern Borders. Worthy project, so while it is not a 'no', it is a no for now, with strong encouragement for the town to reapply after seeking Only committing 100k of own funds and has not applied to USDA or CDBG. Recommendation on funding unchanged.

Lisbon: Reviewed the details of the project. Has SRF in hand, wants to be able to leverage USDA funding. Has a small water system but a very detailed application. Subcommittee changed their recommendation to recommend funding.

Minutes of the 10/23 and 10/30 meeting were adopted unanimously.

The meeting adjourned at 9:20 am
