

2020 FUNDING APPLICATION SOLICITATION NH DRINKING WATER AND GROUNDWATER TRUST FUND PROGRAMS

The New Hampshire Department of Environmental Services (NHDES) is now accepting funding applications for the 2020 Drinking Water and Groundwater Trust Fund (DWGTF) Annual Drinking Water Construction Projects Program funding application round (2020 annual round). This loan and grant program assists with the cost of improving drinking water infrastructure.

Eligible Applicants: Community public water systems and non-community/non-transient non-profit public water systems; State Agency, Board, or Commission, or any political subdivision of the State; any person or legal entity, that owns a community water system or water distribution system.

Eligible Projects: Engineering and/or construction for drinking water related infrastructure projects including but not limited to contamination, growth, and drinking water improvements.

Funding applications shall be submitted electronically.

To submit online, via State of NH Online Forms:

1. Visit the State of NH Online Forms web portal: https://onlineforms.nh.gov/home/?OrganizationCode=NHDES_DWGTF
2. Register for an Online Form account (if you do not have one already).
3. The online application process is two parts. You are required to complete the online submission form "Full Application" which requires the submittal of the fillable funding application forms (Forms 1, 2, and 3):
 - (i) Click on Forms 1, 2, and 3 and download the fillable forms and fill out in detail.
Note, Form 1S is for special project applications and not applicable to the annual round.
 - (ii) Click on the "Full Application" to complete the on-line submission. You will be prompted in that process to attach Forms 1, 2, and 3. **Note, you will not be able to submit the on-line Full Application without attaching these forms.**
4. You can save and return to your Full Application at any time before submitting.

REFER TO THE DWGTF WEBSITE FOR IMPORTANT PROGRAM INFORMATION:
